AND HENRY COUNTY NEWS.

OFFICIAL PAPER OF CITY AND CO.

NAPOLEON, OHIO, MARCH 22, 1894.

NOTICE.

In looking over the list of subscribers for the *News*, which has come into our possession, we find many who are in arrears, ranging from one to two years and over. All such are hereby notified that payment must be made within a reasonable time or the accounts will be placed in the hands of a collector. Come in and see how your account stands and make arrangements for its payment.

There are no Democrats in Toledo. —Blade.

After the election you'll be wondering where all the Democrats came from.

THE Democratic corporation ticket is an excellent one, and is entitled to the support of every voter in the party.

It is safe to say that not a Republican will be elected to office this Spring in either Napoleon corporation or township.

THE NORTHWEST has evidently been doing good work in advocating progress, especially so when it gets such converts as the *Signal*, which is now howling for progress with a big "P" as loud as any one.

WE are sorry to see Senator Brice's vote cast against the passage of the silver bill. Of course the measure is not a party one, but we believe it to be in the interest of the people, and the Democratic party is always found upon the side of the people.

ANDY SAYGERS had no more than turned his back on Napoleon, to make a visit west, than the *Signal*, which in a measure has been controlled or bulldozed by him lately, changed base upon the waterworks question and came out flat-footed for the improvement. The coincidence was noticed by almost everybody.

THE people have no confidence in the present mayor of the city. He has shown himself utterly unworthy the dignified position he holds. He has made Toledo ridiculous from ocean to ocean. He has no friends in this city. —Toledo Commercial.

The Commercial breaks out as above, and the lines are only a few of hundreds of like nature which appear in that sheet from day to day, scoring the present Mayor of Toledo, Gay Major, a Republican. Oh, there's stacks of harmony in the Toledo Republican camp, and its of that nature which tends to a complete victory for the Democrats. That Major is the laughing stock of the state there is no mistake, and the better class of citizens uphold the Commercial in its stand against the freak of a Mayor, whose actions have stamped him unfit to be the head of a great city like Toledo.

RHEUMATISM CURED IN A DAY. —"Mystic Cure" for Rheumatism and Neuralgia, radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits, 75 cents. Sold by D. J. Humphrey, Druggist, Napoleon, Ohio. nov 16-93 8m

THE *Signal* is brave enough to announce that all the Republican candidates for the council are in favor of waterworks. That's good news, but the *Signal* would not have dared to make the announcement had Mr. Saygers remained in the city. Everybody is in favor of waterworks now, even Bro. Russell.

THE Supreme Court of Ohio has decided that business transacted by a person when drunk is invalid. There would seem to be need of an amendment defining the degrees of drunkenness. A man as Beaconsfield said of Gladstone, "intoxicated with his own verbosity," would be presumably responsible under the Ohio decision, but if he were, as Artemus Ward expressed it, "drunk enough to lie down and feel up for the glass," he would be irresponsible at least for the transaction of any business requiring perpendicularity.

Nor a few believe that Senator Brice caused the duty to be placed upon sugar and coal, as against free sugar and free coal as provided for in the Wilson bill, but such is not the case. The duty was changed by the Senate sub-committee, consisting of Senators Mills, Jones and Vest. When this was done Senator Brice rightly demanded that a duty be placed on iron, for if one section of the country was going to be protected he was going to be protected like a duty be placed upon iron. In other words he was not willing that the products of West Virginia and Louisiana be protected and Ohio products neglected. The Senate has made a mistake in monkeying with the Wilson bill, it was all right so far as it went, as it came from the House.

How much more manly it would be if the *Signal* would stop befouling its own nest, and occasionally speak a good word for Henry county and its advantages. Instead of standing up for its county, it never passes over an opportunity to stab it in the back, to gratify a selfish political spirit. Our Democratic officials come in for a big share of its ire. Why, simply because they are Democrats and using all honorable means to govern the county in the best interests of the people. Come, brother, be a man, throw aside your political prejudices and selfishness, and help to build up Henry county instead of tearing it down. Henry county is all right. Circumstances have made it such that our bonded debt is large—a thing that no party—Republican or Democratic—could avoid. But a bonded debt should not be used as a weapon to injure your county. Show us a county carrying a debt and we will show you a progressive county.

THE *Tribune* says the people of Fulton county are not fully satisfied with the condition of the county. Well, they are not to be blamed. The Republican officials of Fulton have been levying a low tax rate, to curry favor with the people, until now the people find that the county is at least 20 years behind other counties in the state in the way of public improvements. And still, with no improvements to speak of, the county fund is over paid, which the people cannot understand. The fact is, the Republican officials of Fulton have been asking the people for but comparatively a low rate of taxation, but what they have collected went into their own pockets, and the county is left to take care of itself, and the people at last find themselves way behind the times. It is an easy matter to point to a low tax rate, but when asked to see what improvements have been made, the whole thing is given away. Henry county's tax rate may be a little higher than that of Fulton, but Henry is up with the times and is classed with the progressive counties of the State. Poor, misguided Fulton.

It's passing strange that our county debt was not wiped out when Bro. Russell of the *Signal* was at the head of the auditor's office, for he is a Republican, and according to his reasoning, all a Republican has to do is to say presto change, and the debt is gone! Now Democrats can't do this trick, only Republicans have the magic. And just why they do not use this power at Columbus is an enigma, also. The debt and financial condition of the state is an elephant on Republican hands, so much so that they have been transferring funds, and creating new funds, to keep the state from going into bankruptcy, and still they refuse to use the wonderful gift—if gift it is.

Bro. Russell not using it when he was in condition to do so, and the Republican dynasty at Columbus not bringing it into requisition, is a little suspicious that the whole thing is nothing but buncombe. Then, how foolish it is for the *Signal* to try to make people believe that Republicans have gifts which are not vouchsafed to Democrats! Also, because the county officials are Democrats, that the county is going to the dogs! Henry county is just as dear to Democrats as to Republicans, and their interests are identical—or should be.

Auditor Resh, the board of Commissioners, with the help of the other officials, all Democrats, are doing all in their power to administer the affairs of the county in an honest and business-like manner, and we defy any set of Republicans to do better, the *Signal* notwithstanding.

DESHLER.

DESHLER O. March 19, '94—Judge Blackford, of Findlay, was in town last Monday.

John Vogt went to Toledo Monday on business.

J. C. H. Elder went to Michigan last Monday.

Miss Whitaker has gone to Weston to visit her parents.

Miss Cora Saffel, of McComb, called on friends Saturday.

Brice Gribbell closed his school in the Duke district last Friday.

Mrs. Anna Payne, of Toledo, is visiting relatives here at present.

J. M. Cottingham's father, of Delta, was in town Monday night.

Mrs. Elder of Bloomdale, visited her son, J. C. H. Elder, Saturday and Sunday.

Mrs. J. C. Armstrong, was in Bowling Green Saturday, visiting friends.

O. A. Hoskinson's mother, of Gilboa, was the guest of his family last week.

Prof. Gordon Elliott, M. D., of North Baltimore, visited with Mr. Buck last week.

Miss Blackford returned to her home in Findlay on Monday, after a few days visit with friends.

Mr. Gusdorf, of the Fremont packing house, was in town Wednesday, calling on Messrs House, Heflinger & Co.

Mr. Daniel Donovan returned from his Southern trip last Friday looking very much like a Southern planter.

Jacob Both, living west of town, has commenced plowing for corn. Jake is a hustler in raising large crops.

Treasurer Sam Williams, made a draw on the county last week for \$8,985.40. This seems like a big pile of money but it did not last long.

Homer House has had quite a serious time the past week with the mumps. Dr. Gherett says he will pull through all right.

Barber Fritz is down with the mumps this week.

Mr. Sellers, of Custar, was the guest of Jacob Both Tuesday.

Sheriff Bryant and Deputy, of Wood county were in town Saturday.

Mrs. Fred Zettles, living north of town, returned Wednesday from a visit with friends in the east.

Miss Rose Drummonds, Miss Maud Collins and Harry Vanlue were at Napoleon attending the teacher's examination.

The big brown horse in use at the Lee slave factory for several years, laid down and died last Saturday, without saying a word about it. Supposed to be heart failure.

A. C. Aubry, moved Monday morning into the house recently vacated by Frank Gehring.

Messrs. Moyert and Jones, of Mt. Cory, were in town Tuesday, looking for a location to establish a carriage shop. They think Deshler a suitable place for their business.

James H. Gardiner, of Cincinnati, visited his mother and Sister, Mrs. F. H. French, he had not seen either of them for over twenty-eight years. He enlisted in the old 68th O. V. I. in 1861, and mustered out in 1865. He came home visited with his mother and sister a few days, returned to Washington D. C. enlisted in the regular service, served 3 years, after which he took a cruise, went to Cuba, was in Africa, and finally ended up in Cincinnati. He says he has settled down for good. GABE.

[From the File.]

Mr. S. A. Brown will soon engage again in the boot and shoe business in the room formerly occupied by him. He purchased a large stock of goods Tuesday and will be ready to wait on his many old friends and customers with a large and better quality of goods than before. We are pleased to note that Mr. Brown will remain with us.

Mr. Andy Connell played in hard luck this week. On Monday he moved his family to a little farm a few miles south-west of town, and on Tuesday he began cleaning up the rubbish about the barn yard. A lot of old corn fodder was raked up in a pile and fired—so was the barn and before Mr. Connell could realize how it happened, the building was in ashes, together with the remains of a horse, cow and colt.

The loss falls quite heavy on Mr. Connell, as he is a man in moderate circumstances, and we understand that he has no insurance on the property destroyed.

RIDGEVILLE CORNERS.

March 19th, '94.—The Tri-township Teacher's Association held its 4th session in this village on Saturday last. The meeting was called to order by the Pres. and opened with a song, entitled "The Sea Bird". O. F. Bockerman took up the initiative, giving his method of teaching it, during which considerable discussion was elicited. The remainder of the morning session was devoted to the discussion of Queries, closing with a song, "List to the Music". The program carried out at the p. m. session was as follows: Song, "The Frog he would a-Woading Ride"; Geography, Henry Willard; Interest, Wm. Shumaker; song "Merrily goes our Bark"; Paper, Some Practical Suggestions to Teachers, W. T. Chapman; Discussion of the Query Box; Song, God Be With You Till We Meet Again. A motion was made and carried unanimously that the paper presented by W. T. Chapman be furnished the county papers for publication.

Rev. I. W. Lowman, delivered a rousing temperance address at the Cong. Church on Saturday evening, and was followed by Prof. A. E. Myers, of Toledo. These addresses gave no uncertain sound, and those professed Christians who give their votes to license parties, were unmercifully scored. The house was crowded.

Temperance day in our Sunday Schools was observed by holding a union meeting at the Cong. Church. The exercises were varied and interesting, among which was an excellent paper by Mrs. E. L. Lingell of the W. C. T. U. Short addresses were delivered by Rev. Lowman and Prof. Myers. At the close of the exercises an organization was effected of the Sunday Schools of Ridgeville and Freedom townships, with the following officers: President, E. L. Lingell; Secretary, Miss Clara Clifton; Treasurer, M. D. Rand.

A pleasing episode took place at the close of the meeting on Saturday evening: A beautiful quilt was presented to Rev. J. W. Lowman and wife, by Mrs. J. B. Shadford on behalf of the "King's Daughters", of which she is Supt. The reverend gentleman was taken completely by surprise, but proved himself fully equal to the occasion, in a neat and appropriate little speech. VERITAS.

When you have over exerted yourself by running, jumping or working, there is nothing that will relieve the soreness of your joints and muscles so quickly and effectually as Salivation Oil, the greatest cure on earth for Rheumatism, Gout, etc.
